

Series II Snap-in Module Surface Mount Box

The snap-in module surface mount boxes feature a compact, easy-to-install design. Snap-on top cover with write-on designation label and clear cover, self-adhesive tape and magnet for metal surface mounting are supplied with the box.

Use only 1" height "Snap-in Module" for different configuration of jacks and connectors for maximum installation flexibility. Module can be easily snapped out of the front of box so that changes can be made without opening the box.

Breakouts on three sides of the box for raceway or cable entry, raceway sizes: 3/4"(W) x 1/2"(H), 1-1/4"(W) x 3/4"(H) or 1-3/4" (W) x 1"(H).
